## The Aphrodite Hills Riding Club

Saddle-up for a memorable horse-riding adventure in the remarkable countryside surrounding Aphrodite Hills Resort and soak up the scenery as you amble along dramatic forest trails and across mountain streams.

With our well-trained horses and with full instructions given, this is the perfect opportunity for individuals and families to experience the thrill of riding a horse in a safe yet beautiful environment.

The Aphrodite Hills Riding Club has a choice of lovely horses - some with very interesting characters! Whether it is the escape artist Jake, The Duchess - who only likes human company or the free-roaming Shetlands; the stables have a horse or pony for everyone.

If you are a novice or an experienced rider, we have a horse to suit you. Our youngest rider is 2 years old and our oldest is 70 years old - proving that riding is suitable for any age group. You will be amazed as to what is on the doorstep in the beautiful valley where the stables are situated.

There are a variety of trail rides for all levels and some beautiful horses and ponies to ride. As you would expect from a 5-star Resort, the horses are incredibly well looked-after and are very experienced. So, whether you are a nervous rider or a competent rider we have a suitable horse for all.

## Golfers... Do you know?

Attention golfers! Here is an interesting fact that can take your game to the next level.

Do you know that the 'short game' is absolutely crucial in golf?

By having strong short game skills, such as pitching, chipping and putting - can be the game-changer for you, as often these skills can determine your score.

We all know that accuracy is key! This requires a delicate touch and precision. It's about controlling distance, choosing the right club and executing shots with finesse to get the ball close to the pin.

When your short game skills are on point, you can recover from a tricky situation, avoid penalties and save valuable strokes.

The short game also tests your mental fortitude. It demands focus, patience and confidence.

So, if you want to unlock your golfing potential, dedicate time to mastering your short game.

We have the perfect practice pitch for you. Our 6-Hole Academy Course is open every day from 7.00am until 8.00pm for improving your short game.

Please contact the Golf Pro Shop to register - Tel: (+357) 26 828 200

## What's in the bag?

A professional golfer's bag typically contains their personal selection of golf clubs, golf balls, tees, gloves, rangefinder, umbrella, rain gear, golf shoes, sun cream and a towel.

Each golfer's bag may vary slightly based on their personal preferences.

Check out with us what is in the golf bag of Andrew Darker, PGA Professional and Head of Sports at Aphrodite Hills Resort, plus we asked him various questions including - "What is his personal golf brand preference?"

### What's your favourite brand of golf club?

"Titleist - I have played Titleist for many years and have remained loyal to this brand for the past 25 years!! My preference is based purely on look and feel - I like the clean lines in a club design, this is key to making my club choice."

### What model of clubs are you playing with?

"Titleist AP2 irons (718) 3-PW. Vokey SM7 wedges, 52-degree and 58-degree. 917 3-wood and an 818 rescue. Putter Scotty Cameron, Select Fastback. My latest addition is the TSR3 driver - custom fit for me by Robert - I recommend if you are considering buying any golf clubs, to book a custom fit session with him!"

### **Do you have a favourite club in your bag?**

“My Vokey SM7 wedge, 58-degree. I am not playing a great deal these days, but if I have chance, I will head to the chipping green and work around with the 58-degree wedge around the green with this club hence at this point it’s my favourite... having said that, if it doesn’t work well tomorrow it will be dropped as the favourite

### **What golf balls do you play with?**

“I have recently switched from Pro V1 to AVX. The AVX has a lower spin and combined with the driver fitting produces the optimum spin and launch for my game. (More distance than before from a lower swing speed).”

### **What else do you carry in your bag?**

“As seen... a few gloves, I always have a spare. Balls (many), pitch repairers, bamboo tees, ball markers, a rangefinder, a sharpie (a must to mark your own golf ball!), sun cream of course, and a fitting tool for the woods just in case the head comes loose (I’ve never had to use it during a round yet!). An Alignment stick - a must when practicing, and like all golf professionals, a very old and dirty towel!”
