Pro Tip of the week

The golf course conditions are constantly changing, so please bare this in mind when you select your shot.

Currently the greens at Aphrodite Hills PGA National Cyprus are wet to combat the warm conditions and the greens being burnt.

Typically, now a shot landing on the green will stop much quicker than many of us are used to, so factor this in when selecting your club.

Remember to repair those pitch marks!

What's in the bag?

When it comes to the game of golf, every piece of equipment in a player's bag can have a significant impact on their performance. From drivers to putters, the choices professionals make can be a window into their strategy and style. We had the privilege of sitting down with Robert Reynolds PGA Professional at Aphrodite Hills Resort and get an exclusive look into what's in his golf bag and the reason behind it.

1.Driver- Callaway Paradym 9.0 and Mini Driver- Taylormade Burner Mini 11.5. The driver is my go-to club for the long and powerful tee shots. Additionally, the mini driver makes an appearance when facing accuracy with still suitable distance.

2.Fairway Wood- Ping G425 7 Wood 22.5 and Driving Iron- Nike Vapor 2 Iron 18.

I like hitting specific layup distances from the tee and both of these clubs allow versatility in doing this.

3.The irons are where I really dial in my approach. Currently I am playing with Miura MB-001 4-PW Irons and they feel great.

4.The short game is where tournament can be won or lost. I am playing with Titleist SM9 Wedges - 52.08F and 58.12 which allows me to have my precious distance control

Putter- L.A.B Mezz 1- 34" is my current putter. With the technology that this putter has to offer I have gained a huge confidence in my putting ability.

As the shaft is like the soul of the club, all my clubs have custom shaft and I have selected them for my needs. If you would like to know exactly my shafts specifications, then I can explain in person.

All of my clubs also have TheGripMaster (the Roo). I use this product as my hands get very sweaty playing in hot climate and the product is very tacky. Great addition to the bag!

1.Golf Ball- This year I have become a Taylormade partner and made the switch from the Prov1x to the TP5x and it has been a great success.

2.Glove- I alter my gloves between the Taylormade TP glove and the GFore gloves. Both of them are full leather however, the GFore gloves are funky colours. I have big selection of them. 😊

3.Range Finder- Garmin Z82. Awesome piece of kit for mapping new golf courses as it has built in course layout as well as laser technology.

4.Ball Marker - I have a custom ball marker/ repair tool with my Logo (RTR)

We would like to thank Robert, Andrew and Danny for their time to showing us what is in their golf bag. In the end its not only about what is inside the bag: it's about dedication that drives its owner to chase the perfect shot, the impeccable approach, and the winning putt. Every golf bag is telling a story of skill, innovation, and pursuit of greatness in the world of golf.

CGF NOOM

On the 2nd of September 2023, Aphrodite Hills PGA National Cyprus will be a host venue of the 6th National Order of Merit (NOOM) competition organized by the Cyprus Golf Federation.
