Members Competition

Members of the Aphrodite Hills Golf Club are gearing-up for an exciting competition over the forthcoming weekend. The highly anticipated '9's' Tournament will be played over two days and feature teams of two players competing in four different formats.

On Saturday 9th September, participants will play the first 9 holes of the PGA National Cyprus Golf Course in a Betterball Stableford format, followed by the second 9 holes in Greensomes - with 60% of the lowest handicap and 40% of the highest handicap.

On Sunday 10th September, teams will compete in a 2-Ball Scramble for the first 9 holes, followed by Individual Stableford for the second 9 holes. The winning team will be announced during lunch, organised by the Club Members, at the Aphrodite Hills Golf Clubhouse Restaurant.

Be sure to read next week's newsletter to find out which team emerged victorious!

The perfect blend of style and comfort - RLX T-shirt Review

When it comes to combining styles and comfort, RLX has always been a name to be reckoned with, within the world of golf fashion. Here at Aphrodite Hills, we are big fans of the brand due to the range of colours they have to offer, along with the comfort and durability of the products.

The RLX T-shirts are designed for a casual day out on the golf course, to a more formal lunch or evening event when paired with the right accessories. RLX are also clearly paying attention to the fabrics used - which are high-quality technical fabrics - very breathable materials, which is a blessing for the hot summer days in Cyprus.

After feedback from our clients, we can ensure you that the colours will not fade and you will not notice any shrinkage or loss of shape. So, if you are looking for a quality T-shirt that stands out in the crowd, we highly recommend giving RLX a try. Also take advantage of the current sales we have at the Aphrodite Hills Golf Pro Shop... more quality for less money!

Academy Course Renovation

Our goal at Aphrodite Hills is to provide its golf members and visiting players with the best golfing experience possible.

On 7th September 2023, our Golf Course Maintenance Team renovated the PGA National Academy greens. After the green scarification, solid tine and top dressing, the greens are still playable - however they will be fully recovered during the next 7 days.

Stay tuned for the progress!

David Thompson's exclusive Football Camps at Aphrodite Hills Resort!

The second week of the highly anticipated Masters Football Coaching Camps, took place at Aphrodite Hills Resort on the 3G Football Pitch and finished on Friday 1st September.

David's week at Aphrodite Hills Resort was a heartwarming and inspirational experience. As a rising star in the football world, David's presence ignited enthusiasm amongst the aspiring young footballers. Throughout the week, he provided skill-building tips and engaged in fun-filled matches with the children.

His commitment to nurturing the next generation of football talent left an indelible mark on the kids; instilling in them not only improved football skills, but also the belief that with dedication and hard work, they could achieve greatness in the sport.

A heartfelt thank-you to Jessica, David and Daniel for their amazing expertise, time and passion - ensuring this made the whole experience truly extraordinary.

Another successful Golf Course Renovation Project completed!

The highly-skilled Golf Maintenance Team at Aphrodite Hills Resort has successfully renovated the west driving range tee in-house.

This particular tee receives a high volume of play from our valued golf members, guests, and international groups throughout the year. Therefore, over time the tee had become uneven and infested with unwanted grasses.

To resolve this issue, the Maintenance Team firstly stripped and removed the existing turf. They then followed this by rotavating the sand and soil, which was then levelled and consolidated in preparation for sprigging. The new range tee was established from the recycled Tifway 419 sprigs from the PGA National fairway scarification.

We would like to thank the Golf Maintenance Team for their excellent work ensuring the golf course and golf practice facilities are kept in a superb condition for the players to enjoy!

Pro Tip of the week!

“When setting up on the tee boxes have a thought on which side of the tee box will give you the best angle of the flag or preferred side of the fairway as apposed to always teeing up in the center of the box.”
